

# Ian Eisenman

Scripps Institution of Oceanography, 9500 Gilman Drive, La Jolla, CA 92093-0230

eisenman@ucsd.edu, 858-534-3907, <http://eisenman.ucsd.edu>

## Research Description

Interests: Climate dynamics, including sea ice, paleoclimate, icebergs, and large-scale circulations of the atmosphere and ocean.

Approach: Construction and mathematical analysis of idealized physical models, numerical simulations using climate models with varying degrees of complexity, and analysis of observations.

## Preparation and Appointments

Assoc Professor	UC San Diego	Scripps Inst. Oceanogr.	2017–present	
Asst Professor	UC San Diego	Scripps Inst. Oceanogr.	2012–2017	
Postdoc	Caltech Univ. Washington	Environ. Sci. and Eng. Atmospheric Sci.	2008–2012	Hosts: Tapio Schneider & David Battisti
Ph.D.	Harvard University	Earth and Planet. Sci.	2008	Advisor: Eli Tziperman
S.M.	Harvard University	Applied Mathematics	2005	
M.A.	UC Santa Barbara	Physics	2002	
B.A.	Williams College	Philosophy and Physics	1999	

## Fellowships and Honors

Scripps Institution of Oceanography Graduate Teacher of the Year Award, 2017.

Hellman Fellowship, 2016–2017.

AGU Cryosphere Young Investigator Award, 2012.

Jerome Namias endowed faculty chair, Scripps Institution of Oceanography, 2012–present.

Chapman Chair Lecturer, University of Alaska Fairbanks, 2010.

NOAA Climate and Global Change Postdoctoral Fellowship, 2008–2011.

Caltech TPF Foundation Postdoctoral Fellowship, 2008–2011.

Woods Hole Oceanographic Institution Geophysical Fluid Dynamics Fellowship, 2006.

NASA Earth System Science Graduate Student Fellowship, 2005–2008.

Harvard University Certificate of Distinction in Teaching, 2004.

UC Santa Barbara Dept of Physics Outstanding Teaching Assistant Award, 2000–2001.

U.S. Department of Education Robert C. Byrd Scholarship, 1995–1999.

## Publications
